

THE CAREGIVING JOURNEY

The journey of caregiving can be challenging and it is easy to feel alone, lost, or overwhelmed along the way. However, there are resources and fellow travelers available to help you through!

We invite caregivers at all stages to join us as we share experiences and build a supportive community. It will be an excellent opportunity to meet others who are on a similar path and gain valuable insights from those who have already traveled this road.

Our Mission

The mission of the Family Support Network is to link the common bond between Little Friends families and friends of children and adults with intellectual and developmental disabilities at the different stages thru life's journey.

Our Vision

Family Support Network will offer socialization opportunities for families along with the information, resources and support they need to make informed choices for their loved ones.
